Gurkha Gab

All The News That's Fit? Probably Not!

October 2002

Is it October already? Sincere apologies to my throngs of adoring fans. I have been distracted recently and failed to produce the September edition of Gurkha Gab. I grovel at your collective feet and humbly beg forgiveness. Enough abasement, on to the news.

Golf Tournament

I don't know about the rest of you people out there in Gurkha land, but I look forward to this event every year. I would like everyone on the team to make a point to thank Archie (Dr. Philip Archuleta) for all of his hard work to organize this event. Without his help, the tournament may not have happened this year. THANKS ARCHIE!!

The winning (low gross) foursome consisted of:
Mark Saly
Dan Carr
Tom Hogan
Aplayer to be named later!

The winning (low net) foursome consisted of:
Jeff McCoy
Clay Orey
Chris DeFalco
Bill "Horse-Pecker" Hayward

At one point during the day, Stephanie Miles (Mrs. Big "A") was driving by the winning foursome with her shy young daughter. In an "uncharacteristic" fit of sexual desperation, she screamed for the men to "Show her something tasty". This statement was accompanied by pelvic thrusts and circular, grinding motions of her hips. Being gentlemen, the boys were not sure how to respond. Mr. McCoy suggested that the easiest way to appease this sexual predator would be to simply "show her our buttocks" and pray that it satisfied her appetite. Mr. Orey, Mr. DeFalco and Mr. McCoy all turned to present their buttocks. Unfortunately, Mr. Hayward forgot to turn around when his pants went down and his "Thingy" fell out and landed on the fairway. He then proceeded to swing the beastly appendage around like a lasso. At this point, the hunger in her eyes was replaced by a look of sheer terror. In obvious fear of her life from Mr. Hayward's gargantuan unit, she fled at top speed. Mr Orey, DeFalco and McCoy are all in therapy at this

time to cope with sudden inferiority complexes.

The after party was a resounding success and by the end of the day, we managed to raise \$2,400.00 for the team.

Afew of things to remember for next year's event:
-Do not let Phil and Cass ride in a golf cart together, between the Dot Dot and the booze it is amazing that they didn't end up in the pokey. Doh!!!
-It is strictly prohibited to open a bar on the 14th hole. Great idea though Claire.
-When Ray says "Stop throwing ice", don't let Claire catch you throwing ice.

Jeff McCoy Moves in on Matty's Bitch

It has been confirmed through multiple sources that Jeff McCoy has been courting Matt Gardener's same sex life partner, Clay Orey, ever since Clay moved in to the Steel compound. Rumors of late nights at local bars and early morning champagne brunches have been rampant for weeks now. Both Jeff and Clay have refused interviews with this reporter. Matt Gardner, on the other hand was quoted as saying, "If Jeff McCoy thinks that he can mess with my bitch, he's got another thing coming. I'll claw his eyes out". At this point in the interview, Matt broke into tears and had to excuse himself.

New Faces

In a completely shocking development, there has been a recent influx of skilled players joining the ranks of the Gurkhas.

Lawrence Kellar - This tall blond South African is almost as nimble with the ladies as he is with the rugby ball. If only he could remember the names of his dates, he might actually score off the field as well as on.

Dave Socks - Don't let the fact that he is a financial analyst fool you. Nor the fact that he is prettier than most of the women that you Neanderthal's date. He is hardcore down to the bone. Just ask him about his downhill skateboarding story.

Ian - Even though we don't yet know his last name,

he is pretty cool. I mean as cool as a hooker can be. Ask him to show you his selective projectile vomiting trick the next time he is out drinking with the boys. It's pretty cool.

Shawn Garland - From the back, he looks like a short, pissed off version of ButterBean. From the front, he looks like a short, extremely pissed off version of ButterBean. It is OK to smile around the boys and let your true feelings out. Don't forget that President Clinton has made the military a safe haven with his "Don't Ask, Don't Tell" policy. Your secret is safe with us. Just kidding, please don't kill me and eat my face now, Ray made me write that part.

Weka - For some reason, this new addition to the club is vaguely familiar in an odd sort of way. There is no doubting his knowledge of the game, but every time we stop playing touch, he disappears. Which brings me to the obvious conclusion that he enjoys hanging around with rough sweaty man and "Touching" them.

Pub Crawl

I would really like to offer up some kind of story from the last pub-crawl, but I am unable to remember many details. The last thing I remember was Sean O'Connell walking into the G Spot with three certifiable hotties hanging all over him. Someone correct me if I am wrong, but I believe that this is the fourth sign of the coming apocalypse. After that, the night is pretty much a jumble of too much to drink and English Tim puking on the walk to Tom Giblins. The next thing that I remember with any real clarity was waking up with a splitting headache, a bottle of KY Jelly and an empty gerbil cage, still not quite sure what happened but my farts sure have started to smell bad recently.

World Cup Trip

There are not that many spaces left available for the World Cup Tour down to Australia. On a related note, while some people are planning to extend the holiday and visit New Zealand, Bad Andy is trying to organize a fact finding tour of Bangkok in an attempt to find the sexiest bean boy on the face of the earth. If you are interested you can contact him at (andyisabigfathomo.com).

Late breaking news

Tuesday practices are at RB Park until further notice. 10's Tourney will be at Oakcrest Park in Encinitas.
